Winifred Reuning

Antarctic of the United States, established in 1966, reports on U.S. activities in Antarctica and related activities elsewhere, and on trends in the U.S. Antarctic Program. The Office of Polar Programs (National Science Foundation, Room 755; 4201 Wilson Boulevard; Arlington, Virginia 22230; telephone: 703/292-8031) publishes the journal.

Although the National Science Foundation attempts internally to make papers published in the *Antarctic Journal* error-free, papers generally are not refereed for scientific content merit.

Any opinions, findings, and conclusions or recommendations expressed in this material are those of the author(s) and do not necessarily reflect the views of the National Science Foundation." If any of the articles were the result of an NSF-funded award, then the author is required by NSF's Terms and Conditions to include NSF's standard acknowledgment of support: "This material is based upon work supported by the National Science Foundation under Grant No. (NSF grant number).
